

## **LAW'S RELATION TO POLITICS AND SOCIOLOGY**

**Author: Lucreția DOGARU\***

***Abstract:** A significant relation is established between law and the science of politics, the latter considered as a general theory of the political. This relation is centred on the concept of political power. Therefore we can state that there is a very relevant connection between law and kratology (the science of power).*

***Keywords:** Politics, Sociology, Legal Science, Kratology.
