

**CÂTEVA REFLECȚII CU PRIVIRE LA COMPETENȚA
TRIBUNALULUI ARBITRAL DE A STATUA ASUPRA PROPRIEI
SALE COMPETENȚE**

Author: Sergiu GOLUB*

***Abstract:** One of the most important principle from international arbitration, the principle that admits the competence of the arbitrators to statute their own competence („Kompetenz – Kompetenz”) was overshadowed for a long time by another principle, equally important but better shaped, the principle of the arbitration convention autonomy, being considered as a corollary of the latter one.*

***Keywords:** Arbitration, Convention, Competence, Court, International Arbitration.*

***JEL Classification:** K22*
