

PREMISELE CONTROLULUI CONSTITUȚIONALITĂȚII LEGILOR - SUA

Author: Daniela VALEA*

***Abstract:** This paper outlines the development of the concept of laws' constitutionality control by pointing out the most important moments and aspects that have shaped and formed a controlling system for laws' constitutionality as a very important element in the legal system of the rule of law.*

The control of laws' constitutionality represents one of the most debated, analyzed and inherently controversial aspects of constitutional system issues and in a larger context of democratic regimes.

JEL Classification: K10

Keywords: Constitutional Court, Control of Constitutionality, Constitutional System, Judicial Review.
